Supply Voltage:
220-240 Vac, 50Hz

Driver:
DALI | Dimmable version available upon request

Recommended Applications:
Residential | Office | Shop

*Customized body colors and other color temperatures (CCTs) are available upon request

Due to the implementation of a special double focus optic, the light emanates from a remarkably small 10mm diameter orifice. Consequently, the glare of the light has been minimized to a great extent. As a result, when the light is on, it appears as if it is switched off.
